

AMS IMPLEMENTATION CONCIERGE

WITH

VS

WITHOUT

DISCOVER WHAT YOU WANT

**24/7
LIVE
CUSTOMER
SUPPORT**

- Side-by-side, one-on-one consultation
- We ask the right questions so you can easily identify what you need from your AMS
- In-depth training provided to your team with follow up to ensure continued success

- Web based meetings
- Dedicated virtual team
- Training program provided and self-paced action items assigned

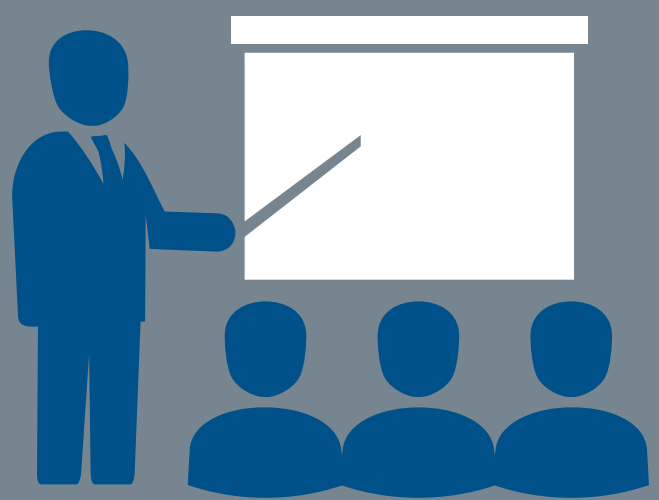

CONFIGURE HOW YOU WANT IT

- Focused time spent working with you to configure your AMS
- Collaboration resulting in deeper integration

- Your project coordinator teaches you how to configure your AMS
- Provides all the tools you need
- Complete at your own pace

FEEL CONFIDENT IN THE END RESULT

- Walk away satisfied with the end result
- Feel a deeper partnership with your AMS vendor
- Have renewed confidence in your ability to manage your membership

- Set up everything on your own with the tools provided
- Competing priorities may result in longer timeline
